FALCON

AIRCRAFT	PASSENGERS	RANGE	REGISTRATION
Legacy 650	14	3,900 NM	A6-AFO

The Embraer Legacy 650 is a luxurious, long-range private jet, offering a spacious cabin with seating for up to 16 passengers. It features a sleek, aerodynamic design and is equipped with advanced avionics for safety and ease of operation. With a range of 3,900 nautical miles and a cruising speed of Mach 0.80, it is ideal for long-haul flights. The interior boasts premium materials, a full galley, and a quiet, comfortable atmosphere. Powered by Honeywell HTF7000 engines, the Legacy 650 combines efficiency, luxury, and performance, making it a top choice for private air travel.

This aircraft is operated under the AOC of Alex Jet San Marino.
